

# SmartDrive CFL Ballast Compatibility List

Lamps: KT-LED94P-x-8xx-S

Check back often for updates. If the ballast you are looking for is not on this list, please contact us, and we will make every effort to evaluate compatibility.

**Note: For Ballasts known to be more than 5 years old, Keystone Recommends replacing ballast before installing SmartDrive Lamps.**

 ✗ No

- SmartDrive LED Lamp Compatibility is determined when the ballast turns on the LED lamp and the electrical characteristics of the LED lamp are stable and within designed operating specifications.
- Keystone SmartDrive LED Lamp Compatibility does not make any guarantees of electrical performance or lifetime for ballasts that are not manufactured by Keystone.
- Ballast Compatibility testing is performed with specific date codes. Please contact Keystone for more information on date code of ballasts tested.
- All data subject to change.
